This Month we will explore

The World Cup 2018

Some areas we will investigate are -

## World Around Us -

History of the World Cup

Location of this years event

The countries taking part

## Numeracy -

Revision of all knowledge learnt this year

Time, Time Zones

Money, Country Currencies

Data Handling

Problem solving using the 4 main number operations

## Literacy -

Report Writing, newspapers, fact files etc

Persuasive Writing

Reading and Comprehending texts

Review of grammar based on topic

Alphabetical order

Letter Writing

## Resources

Pupils enjoy bringing objects such as books, photographs etc.

If you have any items at home that would be suitable for the topic, we would love it if you were able to send these in. They will be returned home with the children at the end of the topic.
